### 2006 Kapcsandy Cabernet Sauvignon

The 2006 Cabernet Sauvignon - Grand Vin State Lane Vineyard is a 650-case blend of 91% Cabernet Sauvignon, 8% Merlot, and 1% Cabernet Franc. A candidate for “wine of the vintage,” it boasts an extraordinary perfume of lead pencil shavings, plums, licorice, black currants, and white chocolate as well as a firm, Bordeaux-like structure, good purity, and incredibly sweet fruit. It will benefit from 4-5 years of bottle age, and last for 20-25 years. Those consumers who complain about high alcohol in California Cabernets should realize that this offering possesses less than 14% alcohol. **97 Points - Robert Parker**

### 2006 Kapcsandy Roberta's Reserve

The 2006 Roberta's Reserve State Lane Vineyard (94% Merlot and 6% Cabernet Franc; 250 cases produced) is potentially the finest Merlot being made in California, although it has several noteworthy competitors, particularly Pahlmeyer. The Roberta's Reserve exhibits classic Merlot notes of chocolate fudge and mocha intertwined with black currants, sweet black cherries, and hints of smoke and forest floor. The complex aromatics are accompanied by an opulent, lush wine displaying terrific definition. Approachable now, it should last for 25-30 years.

**96 Points – Robert Parker**

### 2006 Kapcsandy Estate Cuvee

The 2006 Estate Cuvee State Lane Vineyard (a blend of 48% Cabernet Sauvignon, 48% Merlot, and 4% Cabernet Franc) possesses a dark plum/purple color as well as notes of roasted coffee, cocoa, chocolate, black currants, sweet cherries, and subtle oak. Medium to full-bodied, elegant, layered, intense, pure, and long, it is approachable now, but promises to drink well for two decades or more. **93+ Points – Robert Parker**

This is a superb line-up of wines from Lou Kapcsandy, who emigrated from Hungary to set up a construction business in Seattle, which he gave up for his true love - making wines along with his wife, Bobbi, and son, Louis. They were fortunate to be able to purchase Beringer's State Lane Vineyard in Yountville, and have it completely replanted by Helen Turley and John Wetlaufer. They then brought in Bordelais Denis Malbec to help produce the wines, which have gone from strength to strength. The 2006s are magnificent, but may be eclipsed by the 2007s.
